## SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, February 1st, there being present Jos. M. Francis presiding, Jas. T. Casey, Wm. H. Brown, John MacBain, C. V. Thompson.

The minutes of the meeting held January 18th were read and approved.

The following bids were received for bridge and road work:

For the road from Colma to Edgemar—

Hutchinson Company, \$51,304.92.

Petersen & Grier, \$45,825.70.

Colma Construction Company, \$43,529.02.

Wrightson, Anderson & Yost, \$62,311.88.

Bates, Borland & Ayer, \$55,244.82.

Blanchard-Brown Company, \$45,896.90.

Federal Construction Company, \$67,422.50.

Howard-Ellison Company, \$55,129.40.

On motion of Thompson, seconded by MacBain, the contract was awarded to the Colma Construction Company.

For trestle bridge across the Tabin creek in the First district—

Frank Richardson, \$2105.44.

Jas. Willison, \$1310.22.

R. D. Savage, \$1403.08.

Barrett & Hill, \$1764.18.

Petersen & Grier, \$1644.13.

C. A. Bruce, \$1582.47.

Howard-Ellison Co., \$1832.65.

Burnham Company, \$1648.95.

H. H. Smith, \$1448.68.

David McDonald, \$1877.88.

L. H. Stock, \$1248.90.

Tieslau Bros., \$1644.97.

M. A. Grant, \$1457.23.

N. Mosher, \$1739.91.

B. S. Green, \$1281.10.

G. J. Doering, \$1508.76.

Casey stated that there was but a small difference between the bids of Green and Stock, the lower bidders, Green's being slightly higher. Green was a county resident and for that reason ought to be favored.

He therefore moved that the contract be awarded to Green. The motion was seconded by MacBain and carried.

For the county highway from Hillsborough to the Crystal Springs lake—

Chas. J. Lengren, \$34,635.26.

Petersen & Grier, \$38,861.59.

Sunset Construction Company, \$35,297.43.

The Surveyor's estimate on the job was \$28,920.88 and Mr. Neuman stated that the road could be built at his figure.

It was ordered on motion of Brown, seconded by MacBain, that the bids be rejected and that the Clerk publish a second notice calling for bids.

For first section of road leading from Menlo Park to Portola—

Clark & Henery, \$23,564.06.

Blanchard-Brown Company, \$26,166.16.

Frank T. Ritchie, \$29,820.36.

Raisch Improvement Company, \$23,565.67.

City Street Improvement Company, \$30,411.33.

Federal Construction Company, \$24,744.28.

It was ordered, on motion of MacBain, seconded by Casey, that the contract be awarded to Clark & Henery.

Mahoney Bros., builders of the new La Honda road, made a written complaint to the effect that the Surveyor in erroneously estimating their work, had materially reduced their profits.

Attached to the complaint was a statement signed by Geo. L. Dillman, John T. Williams and John B. Rogers, engineers, of the same effect.

The three engineers gave testimony under oath in support of Mahoney Bros., and Jas. D. McAdoo and C. W. Lambert, employed in the Surveyor's office, testified in support of Neuman's estimate of the work.

The Surveyor also presented written statements signed by W. G. Frost and A. C. Sandstrom, who were familiar with the character of work done by Mahoney Bros., both of whom approved of Neuman's estimate.

The Surveyor stated that he was guarding the taxpayers' interests and he would not submit to any change in his figures.

It was ordered, on motion of Brown, seconded by Casey, that the whole board, accompanied by the engineer, make a personal inspection of the road as soon as the weather would permit.

The offer of Mangrum & Otter, filed November 2d, to install an oil fuel plant at the County hospital for 1921 was taken up at the suggestion of MacBain, who stated that the present heating and cooking plant had passed its usefulness.

O. M. Dutton, representing Mangrum & Otter, addressed the board, stating that in addition to the price quoted, a suitable range would be installed at a cost of \$304, on which price a rebate of \$55 would be allowed for the old range.

The offer was accepted on motion of Casey, seconded by MacBain, the new plant to be installed at once.

Notice was received from the State Board of Control informing the board that the allowance from the State for orphans and half-orphans would be \$617.08 less than

had been paid out by the county during the last six months.

The matter was referred to the District Attorney on motion of MacBain, seconded by Casey.

District Attorney Swart reported that the petition for a local option election to be held in the Second township was in proper form and that the board might proceed to call the election. Action was postponed until the next meeting, on motion of Brown, seconded by Casey, to give the attorneys time to prepare the proper resolution.

The District Attorney presented eighteen deeds for road rights of way which were accepted for record on motion of Brown, seconded by Thompson.

The following liquor dealers, having complied with the county ordinance and filed the necessary bond, were granted licenses:

First township—Geo. S. Burnett, San Bruno Road; Leroy W. Larned, Tobin, Class C; Jos. Millett, Colma; Giuseppe Riccomi, Visitation.

Second township—Mrs. M. J. Archibald, Belmont; H. C. Caldwell, Belmont.

Third township—Cavalli Bros., La Honda.

Fourth township—F. F. Sarcander, Purissima; J. Fannuchi, Miramar; William Debenedetti, Halfmoon Bay.

The following applications for liquor licenses were read and will be acted upon at the first meeting in March:

Second township—Albert Swanson, Beresford.

Fifth township—J. C. Amarel, Pescadero; C. H. Widemann, Pescadero.

The claim of C. M. Anderson, for \$33.95 for services as appraiser of the claim of C. C. Tichenor of La Honda for damages for road right of way, was rejected on the ground that Anderson had been employed by Tichenor while the county had employed and paid its own appraiser.

It was ordered on motion of MacBain, seconded by Casey, that the telephone contracts of the former Sheriff and his deputy be canceled and that a phone be installed in the home of Under Sheriff Lampkin.

A petition signed by J. H. Dennis and others was received, asking that twenty-six additional lights be placed in the Colma Lighting District.

The petition was granted on motion of Casey, seconded by MacBain, and referred to the Gas and Electric Company.

Plans and specifications for paving a portion of the road from Menlo Park to Portola were presented by Surveyor Neuman and accepted on motion of MacBain, seconded by Casey with the exception that the width of the roadway be increased from fourteen to sixteen

feet.

Mrs. Sarah Hayes sent a written notice to the board that Mahoney Bros. were indebted to her in the sum of \$724.27 for board furnished the company's men on the La Honda road contract. The notice was ordered filed.

A protest, signed by F. B. Belton and others of Burlingame, complaining of the unhealthy condition of a ditch on the county's side of Walnut avenue, between Floribunda and Willow avenues, was read.

Brown stated that the water flow complained of came from Hillsborough. At his request the matter was referred to him for abatement.

M. M. Grady, C. Esklin and Joseph P. Striegel each sent a written application for appointment as Sealer of Weights and Measures for the county. The applications were ordered filed.

Mason and Locke, the attorneys for the City of San Bruno, asked that steps be taken to turn over to that city its share of the road fund of the First township.

The communication was referred to the Auditor.

A communication from the Inland Waterways Association was referred to the chambers of commerce of South San Francisco, Burlingame, San Mateo and Redwood City on motion of Brown, seconded by MacBain.

A communication was received from A. J. Cook of the State Commission of Horticulture notifying the board that Henry Harmeling, William J. Hartung, F. G. Hutchinson and Newton Pack had passed a successful examination for appointment as County Horticultural Examiners. It was urged that an appointment be made.

A communication was received from the MacRorie-McLaren Company of Beresford, urging upon the board the appointment of an examiner.

Both communications were filed and the matter laid over until the next meeting on motion of MacBain, seconded by Casey.

It was ordered that the two discarded vault doors stored in the courthouse basement be sold to the Widemann Company at Pescadero for \$50, that being considered a fair price for them.

Surveyor Neuman stated that the county's automobile had been damaged in an automobile collision with a machine owned by William Savitsky of Belmont, to the amount of \$60, and that the accident was due to the carelessness of Savitsky, who should pay the costs.

The matter was referred to the District Attorney.

A resolution was adopted on motion of Casey, seconded by MacBain, setting forth that a bill had been introduced in the Legislature vitally affecting the duties, actions and powers of boards of supervisors, and recommending that the annual convention of supervisors be held during the coming month for the purpose of considering the bill and expressing the views of the organization on the matter.

The Clerk was directed to send a copy of the resolution to the chairman of the Board of Supervisors at San Diego.

Brown presented the following resolution which was adopted on his motion, seconded by Thompson:

### Interesting Paragraphs of General Interest Gathered About the Town

The beautiful Varney home at University Heights has been leased to San Francisco parties who will move down next month to occupy it.

Miss Hazel McEvoy has taken a clerical position in the Auditor's department of the Southern Pacific Company in the Flood building at San Francisco. She will join the big army of commuters from this place.

The Callaghan mansion, now the property of Fred Sharon, will be occupied during the summer months by Lord and Lady Hetchketch of London, England. They are coming here to see the exposition. Mrs. Hetchketch is a daughter of the late William Sharon and a sister of Fred Sharon.

The supervisors on Monday last awarded a contract to Clark and Henry for rebuilding the road from Duff and Doyle's corner to the Stanford bridge near the J. Henry Meyer residence for \$23,564.06. The award was made on motion of Supervisor MacBain. Work on the road will be commenced as soon as the weather permits.

Arthur Dowling left on Thursday for San Francisco to join a theatrical company that is going to make a tour of the world. Mr. Dowling is a vocalist of more than ordinary ability. For over two years he had been a member of the choir of the Catholic Church taking part in all the musical programs and leading in the singing at the masses. He has a sweet voice of much volume and with a little training may become a warbler of much note. Mr. Dowling was quite popular in town taking part in all social affairs and was a leading spirit in church matters. All wish the young man every success in his new venture and hope is every ambition will be satisfied.

W. L. Grollow, John MacBain and A. G. C. Hahn have presented the petition to Superintendent of the Southern Pacific Company, Thomas Ahearn, signed by the people of Menlo Park, asking the company to improve the square in front of the depot. Mr. Ahearn promised to take the matter up with the other officials and assured the committee that some action would be taken by the company. During the week it was learned from reliable sources that a sixty foot paved roadway would be constructed from Oak Grove avenue to the Wells Fargo building and that the street in front of the freight depot would also be improved. This is certainly glad news to the people of Menlo Park who have endured the mud and slush of the square for many years.

According to the rain gauge at the Southern Pacific depot the rain for the season has been a little over 13 inches, a trifle more than at this time last year.

E. S. Heller of Atherton is having \$5000 additions and improvements made to his home at Atherton according to plans designed by Houghton Sawyer, Stanford ex-'94, a well known architect of San Francisco.

Scout Master Davis of Stanford banqueting the scout boys at Duff and Doyle hall last Friday evening. About twenty-five members were present and enjoyed the tempting viands before them. The boys take long hikes every Saturday. Today, under the leadership of the patrol leader, Andrew Walsh and Lester Hoff, they will walk to the mysterious cave at the Domingue place near Portola, where they will lunch.

Through his attorney, Jas. T. O'Keefe, the claim for damages of Frank Andrews for injuries received while driving home one evening several months ago, has been settled out of court. Andrews was struck by a motorcycle owned and operated by Young Schlessinger, whose father is the principal owner of the Emporium in San Francisco. A satisfactory adjustment was made by Mr. Schlessinger without litigation. The attorney on both sides agreed upon a stipulated amount and that was paid by Mr. Schlessinger.

William Headley, an old pioneer of Menlo Park, passed away at the Lane hospital in San Francisco Thursday morning after an illness extending over a period of two years. He suffered excruciating pain from an incurable malady but bore his sufferings with true Christian fortitude, knowing that death would bring relief. The remains will be placed here this afternoon and placed alongside those of his deceased wife. Mr. Headley was born in England about 80 years ago but as a young man came to America. Coming to Menlo Park in the early sixties, he sought employment as gardener at the home of Faxon D. Atherton at which place he worked for a great many years. It was there he met the woman who afterwards became his wife. She passed away only a few years ago after a happy union of forty years. Mr. Headley was also employed as gardener by the late Edgar Mills and Senator Stanford. He was held in high esteem by these men. They looked upon him as more of an associate than an employee. In politics he was a staunch Republican. It was often his boast that during the early days there were only seven votes cast at an election here six of which were Democratic, while he was the only Republican ballot. He was a delegate to nearly all the conventions held in pioneer days. Mr. Headley was a prominent Mason and Odd Fellow. So enthusiastic was he about these lodges that for years he attended every meeting at Redwood City, walking to and from the sessions of the so-

cieties. His surviving relatives are two sons, George Headley living in San Francisco, and Edward Headley, residing at Redwood City. Mr. Headley leaves considerable realty holdings in Menlo Park and Palo Alto. His dying request that his remains be placed alongside those of his departed wife and a deceased son, will be granted and today they will be deposited in the grave with his loved ones, there to remain in peaceful repose until the dawn of an eternal morning. The funeral will take place from the Odd Fellows' building, Redwood City, at 2:30 o'clock this afternoon.

Postmaster-General Burleson yesterday suspended the two-cent postage rates on mails from the United States to Germany and announced that, until direct service was restored, letters from his country to German destinations would be charged at a rate of 5 cents for each additional ounce. ## PASSING OF PIONEER COUNTY RESIDENT

### Death Calls George W. Lovie, Prominent Business Man of Redwood City.

Although not altogether anticipated, the announcement of the death of Geo. W. Lovie came as a distinct shock to the people of San Mateo County, with whose interests he has been prominently and actively identified for nearly half a century. While for more than a year past the deceased had been a sufferer from a serious malady, for the past few months his health had shown indications of material improvement and his family and friends had been lead to hope for ultimate recovery, or at least that he might be spared for some years of further usefulness to the community which he had so well served. This, however, in the dispensation of an All Wise Providence, was not to be and he passed quietly to his eternal rest at a late hour Sunday night at his home in this city.

Kindly in his relations with his fellow man, death, in the final moments, was kindly to him. Retiring about 10 o'clock Sunday evening, he seemed to be in usual health and gave no indications of suffering. About an hour later, however, his daughter Cora was attracted to his room by sounds of gasping for breath, and although she rushed immediately to his aid, death came before assistance could be rendered.

In the passing of George William Lovie, San Mateo County loses a man who has been prominently identified with her business and civic growth almost from the date of her earliest history—a man to whom she owes much of her material and social growth.

Born in Maumee City, Ohio, 1848, the son of William Lovie, he came with the family to California when but a mere child and was reared in the mining districts of Nevada County. Growing to manhood in the pioneer days of the state, when sterling manhood was man's best capital, he early imbibed those splendid traits of character which were to fit him for the battle of life which he, in the truest sense, so successfully waged. In Nevada City he was married to Miss Fanny M. Holbrook and shortly afterward, with his bride, removed to San Francisco, where for a few years he engaged in business pursuits. From there he moved to this county and for a number of years engaged in farming at Halfmoon Bay, in which pursuits he was quite successful.

Strongly identified with the Republican party, he became much interested in politics and in 1884 was made nominee of that party for Tax Collector, to which office he was elected. After completing this term, he was elected to the office of County Assessor, a position which he satisfactorily filled for eight years. Dropping politics for a time, he engaged in the real estate business and latter for nine years filled the office of postmaster for Redwood City.

Returning to business pursuits, Mr. Lovie organized the San Mateo County Building and Loan Association, in which he has since been the directing spirit. Regarding this venture as the culminating effort of his life's work, he gave to it all of his splendid energy and care, with the result that today it ranks as one of the models of the state for institutions of its character.

A man of strong social inclinations, deceased was prominently identified with a number of fraternal organizations, being a member of the Improved Order of Red Men, the Independent Order of Odd Fellows, the Knights of Pythias and the Druids.

Besides his widow he is survived by the following: Mrs. Henry Moutrot of San Francisco, William G. Albert J., Chester A., Cora Lovie and Mrs. A. Schofield, children, also a brother, Charles A. Lovie of Lakewood and a sister, Mrs. O. son, Harry, passed away several years ago.

Always opposed to personal display, the services which marked the laying of his remains to their last long rest were of a simple nature. From the family home on Fuller street in this city the remains were conveyed to Cypress Lawn Cemetery, where the last services of the Improved Order of Red Men for their dead were conducted by the officers of the Great Council of the Reservation of California. The pall bearers, selected from among local citizens with whom he had been intimately connected were the following: P. P. Chamberlain, Asa Hull, Con. Culien, Ted Thompson, A. D. Walsh, H. D. McGarvey.

No more appropriate tribute to the life of the man who has done so much for San Mateo county and her people could be paid than the following from the pen of Mrs. M. Hull Shields of San Carlos:

It is said that some boys are men, some men are boys. To thrust the right kind of a boy into the world on his own resources makes a man of him quickly, and when he is grown and mature he is a boy again in spirit and enthusiasm. Such a boy and man was the late George W. Lovie.

At four or five years of age he was the sole support of his widowed mother and his younger brothers and sisters. He fulfilled his duty as he regarded it, cheerfully and willingly with all his might, as he did every task he undertook.

He was a boy in his optimism, his "cheerful yesterdays and confident tomorrows," his quick sympathy, his resourcefulness and his lack of all show and pretense. He had the courage of his convictions, whether it was for his best interest or not, and one always knew just exactly where he stood on every question.

## DOINGS ABOUT THE COUNTY OFFICES

### Matters of General Interest to Litigants Culled from the Public Records.

The remittitur from the Appellate Court in the case of Frank J. Bernardo against Joseph Rue was received this week and filed in the county clerk's office. The opinion overrules Judge Buck's decision in granting a non-suit, and sends the case back for trial. The decision is written by Judge Richards and concurred in by Justices Lennon and Kerrigan. At the high school election held at Halfmoon Bay on April 3, 1914, Bernardo and Rue were candidates for the office of trustee. According to the canvass made by the election board, Bernardo received 295 votes and Rue 297, the latter was declared duly elected. Plaintiff in his complaint declared that certain irregularities took place at the various polling booths and at the counting of the ballots which caused his defeat. The election contest was heard on May 8th, 1914 by Judge Buck who granted a non-suit, on the ground that no fraud was shown on the part of the election officer. Bernardo through his attorneys, Ross & Ross, at once appealed the case to the higher court. Richard Barret, formerly of this city, and his partner, Attorney Thomas, represented Rue, who has not yet served one year of his term.

### New Probate Applications.

Harold O. Helmed has applied in the Superior Court for letters of administration upon the estate of Margaret Duncan, who died in Merced county on December 8, 1914. The estate consists of lots 34 and 36 in Wellesley Park valued at \$5000. The entire value of the estate does not exceed the sum of \$10,000. The heirs at law are Sampson Duncan and Nancy Duncan father and mother of the deceased, who have waived their right to administer upon the estate and have designated their son-in-law, H. O. Heimer 'o act for them.

Maud S. Latham has applied in the Superior Court for letters of administration upon the estate of James Latham, who died at San Francisco on January 23, 1915. The estate consists of machinery and a bank deposit of less than \$1000. The deceased left a will bearing date of December 19, 1914, by the terms of which Thomas W. Latham of Seattle is named as executor. He has assigned his rights to the petitioner, sister of said deceased. The heirs at law are, the petitioner, Mrs. Mary Shank, residing at Victoria, Mrs. Martha Dowd, living at Santa Rosa, and Emma Russell, San Francisco, daughters of the deceased and a brother, Thos. W. Latham, living in Seattle, Washington.

Catherine Whitmore has applied in the Superior Court for letters testamentary upon the estate of John Whitmore, who died at San Mateo on January 10, 1915. The estate consists of furniture and personal effects in Trinity county valued at \$300 and real estate in the same county worth \$12,400. The deceased left a will bearing date of February 17, 1914. The subscribing witnesses are, Charlotte Coyle and Janet Shand, both of San Mateo. The heirs at law are: Ruby Whitmore, John Ray Whitmore, executor, every property owner knew how well, faithfully, and honestly he was served. Mr. Lovie knew no other way.

If death had searched the County over, he could not have taken from this one a more public-spirited man or one who has done so much for the good of our community. His clear brain, his ready wit, his absolute sincerity, his unimpeachable integrity, made him a leader in every effort for the improvement of conditions pertaining to the public welfare. Let it not be forgotten that if it had not been for him and the late G. P. Hartley, the Redwood City grammar school would be located next to the county jail, on the Sweeney tract, instead of on the present site.

He was an acknowledged general in organization, and for the last thirty years the success of every civic celebration that has been given in Redwood City even to the most minute detail, depended on his executive ability.

One of his favorite maxims, which he quoted when he was formulating the idea of a local Building and Loan Association, was "One definite step, however small, will do more to set a good thing going than any amount of desultory contemplation."

It was his foresight, his love for his fellow man, his loyalty to the county he so loved, that brought the Association into being; and for the first years of its existence he gave his work, energy and indomitable personality, "without money and without price," so that it might be on a firm foundation. When one stops to think of it, what a man of limited means, to-day, could found such an institution? It was a great and beneficial work, and many a man who is the possessor of his own home and the standing that goes with it, owes it to George Lovie, as much as to his own efforts. The many paid mortgages, the first savings started and continued, are due primarily to his suggestions and encouragement.

We will mourn him, yet he needs no mourning. The results of genuine worth left by so true a man, so honest a spirit, will never be forgotten.

Still we realize that the place that was his in our hearts can never be filled. "The comfort of having a friend may be taken away, but not that of having had one."

Helen F. Whitmore and Leonard S. Whitmore, children of the deceased, residing with their mother at San Mateo, and two grandchildren, Inez and Edgar L. Reed, children of Matilda Reed, a deceased daughter, residing in Alameda county.

S. E. Throwell has applied in the Superior Court for letters of administration upon the estate of Fred De Mara, who died at San Mateo on January 23, 1915. The estate consists of lot 23, Burlingame Heights, with improvements. The property was purchased under contract and there is still due on it the sum of \$1514. The entire value of the estate does not exceed the sum of \$2000. The heirs at law are, Melinda De Mara, Phoebe Vandenbos, Mary Louise Throwell and Walter D. Mara.

### New Actions in Superior Court.

Fannie Barton has commenced an action in the Superior Court against Isabella Risling and Chas. H. Risling to recover the sum of \$455 on four promissory notes, together with interest and attorney fees.

Nora Talbert has brought a suit in the Superior Court against her husband, J. Frank Talbert, for an interlocutory decree of divorce on statutory grounds.

Alfred W. Dow and others have commenced a suit against the Barber Asphalt Paving Co., and others to annul the assessment against the property at Burlingame and to have the bond filed by them cancelled. The defendant did the street work in front of their respective residences at Burlingame in 1910. The plaintiffs find that no resolution of intention was ever passed by the board of town trustees and that, therefore, the levy of the assessment by the defendants is null and void.

The City of Hillsborough has brought an action in the Superior Court against Ansel M. Easton to condemn Easton's right of way over a street known as Bay View Road. The defendant owned the lot and a right of way over the property. Defendant closed the street some time ago, leaving no outlet to the abutting property owners. Plaintiff now brings the suit to condemn the right of way or easement held by Mr. Easton.

Stella C. Lovegrove has brought foreclosure proceedings in the Superior Court against Azalea E. Gates, formerly Azalea Deming, an administratrix of the estate of W. H. Deming, deceased, to recover the sum of \$10,216.03. The property on which the mortgage is to be foreclosed consists of eleven acres of land adjoining the C. N. Fulton estate at Menlo Park. Plaintiff also asks for interest at the rate of 8 per cent per annum and attorney fees in the sum of \$100 and also 5 per cent of the amount recovered and costs of suit.

William Abbott has brought an action in the Superior Court against George Cooney to recover the sum of \$300 on a promissory note together with interest at the rate of 10 per cent per annum and attorney fees in the sum of \$25. The note is secured by a mortgage on a piece of property on Santa Ynez Park, San Mateo. Plaintiff asks that the realty be sold and that a commissioner be appointed to do so.

### Articles of Incorporation Filed.

Late yesterday afternoon the Guaranty Mortgage Corporation filed articles of incorporation in the county clerk's office. The concern incorporates with a capital stock of \$1,000,000 divided into 40,000 shares at a par value of \$25 each. The purpose of the company is to make loans and invest capital. The principal place of business is Redwood City. The actual amount of stock subscribed is \$35,000 by the following stockholders, who have each subscribed 200 shares or \$5000: George A. Merrill, D. V. Williams, E. F. Fitzpatrick, D. Stokes, O'Callaghan, E. A. Husing, Carl W. Elfing and John Wisnom.

Annie R. McCreedy has applied in the Superior Court for letters of administration upon the estate of John McCreedy, who died on January 16, 1915 at Redwood City. The estate consists of a house and lot at Redwood City. A unimproved lot in Millbrook and an unimproved lot in Redwood Highlands. The property is valued at about \$4000. The heirs at law are the petitioner, Annie R. McCreedy, wife of deceased and Mabel L. Thompson and Marian E. McCreedy, daughters of deceased.

### Appraisers Appointed.

Judge Buck has appointed H. W. Schaberg sole appraiser of the estate of Charles N. Felton, deceased. The estate is probably worth over five million dollars and Mr. Schaberg, being the only appraiser, will certainly have some work to do. Mr. Schaberg will also be the inheritance tax appraiser. Judge Beasley has appointed R. F. Chilcott inheritance tax appraiser of the estate of Mary Gilligan, deceased, and H. W. Schaberg inheritance tax appraiser of the estate of Anna A. Gaudet, deceased.

### New Building Contracts.

The following builder's contracts were filed in the county recorder's office during the week: The Standard Electric Construction Company agrees to do the wiring and other electrical work for the Knights of Columbus Hall Association on a two-story hall building at San Mateo in 90 days for \$1944.

Sidney Brittain agrees to do the brick work for A. J. Jeneveln on his one-story garage at San Bruno for \$846.

## SUPRVISORS IN SESSION

Continued from first page.

been given the first regular counties' day assignment to be held at this great fair, the day set aside for this purpose being February 25.

"Resolved, We believe that this will be of great benefit to our county, and that it should be carried out especially to the attention of the people of the county, and that they be urged to participate in the celebration on that day, and assist in making it one long to be remembered."

Mrs. B. Regan of Halfmoon Bay, aged 75 years, was granted an allowance of \$3 per month on motion of MacBain, seconded by Casey, she being recommended as worthy of assistance by Chairman Francis.

An order was received from Judge Buck of the Superior Court directing that 100 citizens from the several townships be selected to serve as trial jurors for the year.

Distict Attorney Swart stated that additional bookcases were needed for the law library and the Judge's chambers. It was ordered, on motion of Casey, seconded by Brown, that he make the necessary purchase.

Thompson reported that he had arranged with F. S. Duarte of Pescadero for the use of the lookout at that place at a monthly rental of \$5.

The offer of J. L. Brown, presented at a previous meeting, to do the county's advertising at a reduction of one-third of the present rate was taken up. It was shown that Brown, through a system of padding his advertising, was already charging nearly double that charged by the official paper and his offer would not result in a saving to the county. His offer evidently not being made in good faith, was rejected on motion.
